

Mundhenks' Ministry Messenger

Behold, I send My Messenger, And he will prepare the way before Me.

God's Supply!

Raising support is not cheap! Between the end of February and June we'll have been in 16 churches in eight states seeing thousands of people. The result is that our present support has been shored up and over \$300 in new support has been secured. All that was made possible by the gifts people have made to this ministry. To God be the glory!

Teacher Needed!

"Please let me know if ... there is a possibility you guys will not make it we — will have to scramble for a teacher."

As of October 1st, Christian Leaders Training College (CLTC) will be short one teacher — me! I am scheduled to teach three classes but if I'm not there, then who will teach?

It is our fervent desire to get back to Papua New Guinea and just two things will put us there. First, we need \$1,000 in monthly support.

In just the past couple months several have decided to take up support of this work while others have increased their support so that figure is on its way down. Second, we now need just \$5,750 for plane tickets. That's down \$1,250! The money is coming in, the only question is, how long will it take before we can leave?

If you would like to join this ministry by giving either a one-time gift or monthly support, just fill out the enclosed response card and send it to Pioneers in the envelope provided along with a check. We'll take care of the rest!

I can't wait to be back in the classroom. When God is using me to teach I feel totally alive!

163 and Counting!

Ever since my first summer trip to PNG in college I have watched the correlation between prayer support and financial support. They are in direct proportion: more prayer equals more money. We are only 37 Prayer Partners from reaching what

we consider to be our minimum level of prayer support of 200. If you would like to support this work in prayer, just let us know (letter, email, phone call). Tell us you want to be a Prayer Partner for this year (till March 31, 2008) and we'll sign you up!

Prayer Briefs:

Webmaster Needed

A website could not only help us raise support, it would save us money! Pray that someone would help us set up a site.

Anonymous Who?

In addition to a couple gifts for \$300 and one for \$250, someone anonymously gave a gift of \$500 toward our plane tickets. Praise God!

Monthly Support

By far, the biggest prayer request is that churches and individuals would support this work on a monthly basis. It's a huge commitment, but that's what it will take to get us back where God has chosen for us to serve Him.
