

Mundhenk's Ministry Messenger

Behold, I send
My Messenger,
And he will
prepare the
way before Me.

Malachi 3:1

September, 2005

Volume IX, No. 3

Time For School!?!?

Trying to raise support is a full-time job! There are letters to write and phone calls to make in seemingly endless numbers. Of course, the goal is the opportunity to tell people about the ministry but all this takes time. It's difficult to balance this with being a full-time student but we have to do both to get back to PNG. The key is for us to follow God's leading each step of the way.

Just A Tool

There is a difference between a Snap-on screwdriver and one you get at a drug store. The drugstore variety can pry a staple out of the wall while the other can pry engine components apart. One is useful while the other is virtually useless!

I recognize that I am only a tool in God's hand

and I am nothing until He picks me up. Even then I am still just a tool, but I want to be the best and most useful tool in His hand that I can possibly be. This fall my studies include classes that will help me be just that. The work is hard and the cost is high but it's worth it to be used by God in such an incredible way!

On the Move

I handed in my last paper on June 11th (for a summer class) and since then we have been in eight Vacation Bible Schools, put together a ministry presentation video and brochure, and presented the ministry to five small groups. Additionally, we have scheduled ministry presentations in six new churches as well as a few supporting churches for this fall. On top of all this, we will be involved in several Sunday school classes

and other small groups. You could say things are picking up around here!

We know that God wants individuals and churches to support the work He is doing in Papua New Guinea. Our job is simply to tell others about it in such a way that God can prompt them to give and pray. The great thing is that God is the one giving us the meetings, and helping us tell about the work, and prompting people to respond!

Prayer Briefs:

200!

If you signed up to be a Prayer Partner you are a member of an elite group! Praise God with us for prompting over 200 people to pray for the work He is doing in PNG!

4 Out of 5

That's how many of us are in school. Pray that all five of us would adjust back to our rigorous school schedules well. Pray especially for Daniel as he moves into Jr. High/Middle School this year.

\$489.75 a Month!

My first of four tuition payments is due on the 5th of this month. So far we have \$100 of it. Please pray that God will supply the rest quickly.
