

# Mundhenk's Ministry Messenger

Behold, I send  
My Messenger,  
And he will  
prepare the  
way before Me.

Malachi 3:1

December, 2000

Volume V, No. 4

**A** season of giving, that's what this time of year is often called. Why? Because it is when we commemorate the most precious gift ever given by giving gifts to others. The most precious gift anyone besides God can give us is their prayers. Would you please fill out the enclosed card and send the top copy to us. This gift will mean so much to us!

## Email in Ok Ao!

In the middle of the jungle, miles from the closest phone lines, we have email! We've always used our HF two-way radio for voice communication but now it does data.

Aside from keeping in contact with family its primary function is to garner prayer. Huh? That's right. Anywhere between twice a week to almost every day we send prayer updates to whoever is willing to take

a few minutes to pray. If you want to get these updates just send us a quick email to let us know. We'd love to send them your way!

The only limit we have is that files of 100 kb or more disappear without a trace so if you want to send a picture you might have to trim it

down. Our address is kmundhenk@maf.org and we'd love to hear from you even if it's just for the fun of it!

Our link to the world: HF modem, radio and laptop.

## Nup Vipon-Man

"They should talk to me." That's what I thought every time my friend came to me on someone else's behalf. I soon learned that using a go-between is an important part of preserving relationships in this culture. This "vipon-man" (literally "one to whom the middle belongs") must be a friend to both parties and therefore has both their

interests in mind. They must be approachable and respected.

As we studied the work of Christ, perhaps the most meaningful aspect to them is that He is the Mediator who goes to the Father on our behalf. He loves us and wants to restore our relationship with God. He is approachable and we can trust Him. He is "our Go-

## Prayer Briefs:

### To the Dentist

In this country it involves several hours in a light aircraft and several days but if Michelle's tooth doesn't stop hurting soon she'll be getting a root canal sometime this month.

### Cancer Update

Thanks so much for your prayers. Michelle's dad is doing well and his cancer is stable to the point that they can take a wait-and-see approach.

### Final In-Service

Although only seven came their reaction was, "Everyone needs to hear this." I said, "Right, now go tell them." Please pray that they will.
