

Mundhenk's Ministry Messenger

Behold, I send My Messenger, And he will prepare the way before Me.

Malachi 3:1

September, 2000

Volume V, No. 3

Arrugh!

Computers! How many hard drives have you gone through? We are on number four this term! Including the trouble setting this one up we were without the computer for two months. Unfortunately we were unable to put out a July Prayer Force News but we should be back on

One-By-One

"For we do not wrestle against flesh and blood..." Oh man! I've often told the students, "Watch out if Satan is not attacking, you must not be making him mad." Well, we must be doing something right because he is ticked!

Between the computer going down, the news of Michelle's father with cancer and two of our six students

possibly not returning we are realigning...but not defeated!

How are we going to win? Prayer! It was through prayer alone that the computer started

working and it will be prayer alone that will bring Michelle through this crisis and our students back!

As you read this letter we are beginning our second quarter and we need your prayers more

than ever. All of what I've taught the students so far has been leading up to these courses in doctrine and Satan

knows that these are the most important truths they can learn. They tell them what is true and why we believe it.

The enemy is showing no signs of letting up but

Please pray that Beot and Atawu would make it back.

Cancer Strikes

As I mentioned, Michelle's father has been diagnosed with prostate cancer. Although it is not aggressive he will probably never be cancer free. They have tried one treatment already with little success and are considering other options.

This is very hard on Michelle because she is very close with her family. Please pray for her parents as they choose their next course of action and for Michelle as she faces the sadness this brings. God is our wisdom and strength, we must rely on Him.

Prayer Briefs:

Our E-Mail address is...

Not yet but soon. It seems God has given the okay for this but we are now trying to decide on a system. It's a major expense so please pray for God's leading.

Last In-Service

The end of May we had 11 men come to hear about Christian growth. Please pray that they will institute what they have learned and will teach others.

Next In-Service

This one will be the end of November and they want it to be on giving. Pray for me as I study this subject and pray also that many will come.
