Emmanuel: God With Us

Every time I attempt to grasp this concept I am overwhelmed with wonder. The creator of the universe whose throne is in heaven... with us. And beyond that, he came as a pitifully helpless infant to a poor family. Yet, this IS God, my God. He came to be with us to save us. I can hardly believe it and we can't understand it but praise God it's true... Emanuel!

Moving On

In just a few days I will be teaching an in-service that the Ningerum pastors have asked for. In just a few weeks (the end of January) we will be starting Bible school classes for a group of new students. The attendance to both of these events will determine if the work here will move on or if we will move on.

Back in August there

was a big meeting where the pastors said they want us to stay and that they will work with us. They made specific plans but so far everything they've intended to do has been postponed, generally due to lack of interest. God has made it clear that if they want teaching then the work will move on. But if not, He will have us move on.

Pray that many students will come next year to learn God's word.

Needed: Your Prayers

It's been a rough year and we couldn't have made it without your prayers. It's hard to teach just one student. Because of your prayers God gave me the strength to continue and used it to help me grow. Michelle has been in constant pain but through your prayers God gave us a diagnosis and the needed medicines to manage it. This next year does not promise to be any easier

but through your prayers we can make it.

Enclosed is a brand new Prayer Commitment card. If you would be willing to pray for us on a regular or daily basis till March of 2005 would you please fill it out and send it to the address on the card? We will make sure you get the quarterly Prayer Force News so you can be kept up-to-date on how to pray. We need your prayers!

Prayer Briefs:

What a Pain!

Fibromyalgia, that is. Please pray for Michelle as she lives with this chronic pain condition. It makes everything she does so much harder — and she does a lot!

B, B, B & B!

The Beach, Books, Bottom time and of course Buying. We praise God for a great vacation, one that left us wanting more but rested for whatever the next year holds.

Garden Harvest

Sounds like a new salad dressing but what it means is food. Praise God with us as the Bible school garden is finally beginning to produce.
