New Cards!

After being in 22 churches this year we were just about out of photo prayer cards. Plus, kids grow quickly and they look so different now. Therefore, we got some new family pictures and now you have a new prayer card! Please use it to remind you to pray for us as we prepare to go.

Closer... Closer!

I just looked at our financial information online and there was a new supporter there! That means we now need only \$840 in monthly support! Additionally, there are several more potential supporters that could take that number below \$700. That may still seem like a lot but it's just 28 individuals or families at \$25 a month!

I'll speak to that many people before the end of September and several times that many in October and November. Pray hard that God will bring us the people He wants to support this work!

Also, we now need just \$2,125 for our plane tickets. Considering we started at \$7,000, that's huge! Pray that God will bring in the gifts we need so we can go!

Introducing www.mundhenks.org!

Would you like to know more about us, more about PNG, or more about where God is sending us? Would you like to see pictures, watch video or check out the latest news? All this and more is coming to our new website!

We have been wanting to use the internet to give people more information and more interaction with this ministry for a long time. Now God has provided a webmaster to put this all into motion. This will be a dynamic site so keep an eye on the "What's New" section!

Another advantage is the savings in postage! We plan to transfer as many people as possible to getting this letter via email with a printable file attached. That way we can send you this letter in color and get it into your hands much quicker.

This photo has become our marquee and when you see it — in color — you will know you are on our website!

Prayer Briefs:

Going up!

Right now we have 235 Prayer Partners and that number goes up every meeting! Praise God with us for each one!

Working Wisdom

Michelle has been working part time to help make ends meet but she's not able to get things ready to leave for PNG. Pray that God will give us wisdom to know when she should quit.

Moving Along

I'll be driving at least 5,000 miles before December specifically to visit churches. Pray for safety and problem-free driving.
