

Mundhenk's Ministry Messenger

Behold, I send My Messenger, And he will prepare the way before Me.

Malachi 3:1

Volume VI, No. 2

School X 3 = 2 much?

While I'm off teaching Bible School Michelle is home teaching the children. Daniel (10) loves being outside with his friends so school is not a priority to him. Stefanie (8) used to love it when it was easy for her, now the lure of playing Barbies® is great. Alicia (5) likes the games she gets to play with Mommy and on the computer. As in so many things, patience is not just a virtue but a necessity.

Control!

God is in control, even of visas. Ours were late because of a broken fax machine and it delayed our departure by 17 days – what a blessing! Since we were ready to go 2 ½ weeks earlier it was a bit of a reprieve, a chance to get a few more things done and even to rest.

God is in control, even of radios. One of our 50-foot antenna posts fell down a few months before our return so we couldn't talk to Tinot and tell him when we would come. Our biggest fear: what would the house look like under a

year of dust? But, Tinot was able to *listen*. He organized a clean-up crew and the house had been wiped top-to-bottom before we got here.

God is in control, even of ships. Our stuff arrived from Port Moresby on voyage #206 and our crates from the states on voyage #207. Voyage #208 was struck by a storm at sea and lost 1/3 of its containers overboard!

God is in control and we are able to rest in that fact. We have seen it so many times and even then we often forget. May we never lose sight of His sovereignty!

Even visas, posts and ships are in His hands.

Off and Running!

That's right, Ok Ao Bible School is now in session. Even as you are reading these words we are probably getting ready to start another day of teaching and having a new classroom is absolutely wonderful! We are set up for 12 students but how many we

will actually have remains to be seen (it can take a few weeks before everyone get here). Please pray that every student that God wants to be here will come. Pray for Beot and me as we teach and for Tinot as he, as the principal, does everything else!

Prayer Briefs:

Revival?

Perhaps the translation of the Bible will be the catalyst. The missionaries working on that have just completed a workshop teaching the people here how to do it themselves. Pray that the participants would do just that.

Not For Cowards

Has anyone noticed how hard it can be to be a parent? If so, pray for us as we are constantly faced with these challenges.

A Real Vacation

Our last one was in 1995 so it's time. We'll be taking a three week break in October — including travel time and shopping. Pray that we'll all have a great time!
