

# Mundhenk's Ministry Messenger

Behold, I send My Messenger, And he will prepare the way before Me.

Malachi 3:1

March, 2002

Volume VI, No. 1

## The Long Way Around!

The rule seems to be that the further you go to get there the less it costs, at least when going to PNG. This time, instead of going through Hong Kong, we go through London! But, actually this is a praise as while we're there we'll be able to visit some missionary friends from PNG. It'll be especially good for Daniel and Stefanie as the children are some of their best friends.

## We're Off!

Because of the generosity of so many people and churches we can go home! Last month we were able to buy our tickets and this month we're on our way. Praise God with us that the money for the plane tickets and the needed monthly support came in.

Once we arrive in Papua New Guinea we will be spending about two weeks in the capital city buying supplies for the next three years of living in the jungle. After shipping it off we will fly

We try to make full use of our baggage allowance!

out to a mission station close to us and spend another week or two stocking up on food. Finally, after more than a month in transit, we'll go to our house in the jungle.

But the work doesn't stop there!

We'll need to unpack all our stuff, set the house back up and I'll be digging into several repair jobs that are waiting for me. Please pray that God will give us strength and wisdom as we get going again. Thanks so much!

## Almost Finished

The last report we received had the new Bible school classroom structure up with a roof and the walls about 3/4 done. It still needs a floor, some windows and a couple doors. On top of that, we are running out of room and we will need to build a women's dorm soon. Good problems but they need money. First we need the money to pay

the workers who built the classroom this far and those who have sold us trees off their land. \$5,000 should get the classroom completed and everything paid off. Then we need money to buy the supplies for a new dorm and get it built. That's probably another \$3,500. A lot of money but not bad for a whole building! Please pray that God will supply.

## Prayer Briefs:

### Visa, it's everywhere you want to be.

And, you've got to have one if you want to get there! Pray that the process of getting them would go smoothly and quickly.

### On the Road... Again.

Once again we go into travel mode and we've about worn it out! It'll be tough to be hopping around the world for a month so please pray for endurance and strength.

### A Change of Pace.

PNG runs on a different schedule and that will mean a whole new routine for the kids. Pray for them as they adjust to life at home.
