Behold, I send My Messenger, And he will prepare the way before Me.

Volume VI, No. 1

We need your prayers! In just a few weeks we will be packing up and moving our family almost half-way around the world. Then for the next nine months we will be running around the country telling people what we've been doing for the last three years. Will it be easy? Ha! Not likely. But can we do it? Yes! But we need your prayers. We need your prayers now as much as ever so please send your Prayer Commitment card to us

Graduation

The 31st of this month will be the first graduation at Ok Ao Bible School! Six students have stuck it out the last two years and three of them will be graduating (the other three are missing just a few

I'm looking forward to graduation but I'll miss spending four hours a day with these guys!

requirements). Of the six students, two will be pastors, one will continue as the Principal and my best student plans to come back and teach!

Meanwhile we still need your prayers as we

finish this final term of schooling. This term on the field has been a lot of hard work for me and I need to finish well. The students are also worn out and need your prayers.

Graduation promises to be a good-sized event and things like this always include a feast. Gathering and preparing this much food will take a lot of work but we are all looking forward to it. (By

Back In the USA

In May we will be heading back to the States for nine months. During that time we plan to travel about 10,000 miles, visit all 26 of our supporting churches, raise additional support and maybe even get some much needed rest! And those are just the highlights!

As you can tell, we need your prayers. We are really looking forward to seeing friends and family again and doing things like drive a car and eat out! Pray that we will be able to do all those things and that we will be able to get some rest at the same time.

Prayer Briefs:

Feeling Fine

After several months of increasing pain Michelle's tooth is now pain free! After so much pain and several days of travel the root canal was a relief.

Deadline

In order to have time to get ready for furlough Michelle needs to finish off this year of home schooling by the end of April. Ambitious but so far she's on schedule.

Pray For Prayer

During the year ending March 31st we had 177 Prayer Partners. So far we have about 80 for next year. Pray for more!
